

Draft Caregiver Letter

(Insert date) _____

Dear District Supervisor **(Insert name)**:

Dear Assembly Budget Sub Committee Member **(Insert name)**:

Dear Assembly Member Brown:

I am caring for my *(tell caregiver story here)*. As my **(Insert care receiver)** sole caregiver, I was faced with a multitude of daily challenges, and I was directed to **(Insert CRC name)** Caregiver Resource Center for help. I have received many benefits from this organization and especially value the emotional support, educational workshops, and support groups. **(Insert CRC name)** Caregiver Resource Center provides critical, cost effective services to support families, like mine, who struggle to care for a loved one at home with diseases and disorders such as Alzheimer's disease, stroke, Parkinson's, Traumatic Brain Injury, and related dementia.

I am writing to express my support for the budget restoration of the Statewide Caregiver Resource centers so that they may provide services to caregivers such as me, as well as my fellow caregivers.

Sincerely,
